## Our original recipes

Proven **great flavour** and great success among a large target group since 1978.

Throughout the years, our team of chocolatiers has developed several fillings based on the **best praliné** and the **tastiest ganache**.

We use only the best, **all-natural ingredients** to create our wide assortment of fresh Belgian chocolates.

## Fruity cream chocolates

Our fruity Manon chocolates pralines bring together the best of both worlds: a smooth, creamy filling enhanced with fresh fruity notes.

Each praline surprises with a perfectly balanced combination of sweetness and fruit, covered with high-quality Belgian chocolate.

The 12 Manons are packaged in a transparent plastic blister of 200g, ensuring optimal protection and freshness, while offering a neat and hygienic presentation.

## Buchettes with crunch

Discover our Buchette praline. This praline with a smooth praliné filling and crunchy caramelised nuts is a true classic with character. The caramelised hazelnut pieces add a pleasant crunch and a rich, nutty flavour.

Enrobed in high-quality Belgian chocolate, it creates a perfect harmony between smooth and crunchy, sweet and intense.

The Buchettes are individually packaged in a carton giftbox of 210g. Each box contains 7 delicious pralines in white, milk and dark chocolate.

# Chocolates in a can

New markets can be explored using this unique concept: mini bars in hotels, convenience stores, service stations, cinemas, snack bars, hospitals, airports, sea ports, catering for planes, boats and trains, gift and card shops, press shops, etc.

## Why chocolates in a can?

The can offers many advantages:

- always a full flavour
- constant quality
- intense flavour experience
- hygienic
- exclusion of moisture and bacteria

## Chocolate Delights - fully printed - 65g

Also available in a giftbox (per 4 cans)
